Info Rail 	**Info Rail** is a rail used to display postcards, posters, drawings, photos, etc. in an organized way. It is equipped with an internal locking mechanism that is used to firmly block sheets of paper and cardboard. In this way there are no more walls damaged by drawing pins, adhesive tapes and the like. The InfoRail track is essential above all in classrooms and school corridors. Included are JS1D connectors and screws with their plugs.	Alluminium finish	Length 25 cm	6,20	5 20 per type	10% 15%	54025
