

Oil Colours "Artisti" Maimeri Series				Oil Colours "Van Dyck" Series				Oil Colours "Classico" Maimeri Series				Oil Colours "Oil Master"	
 Characterized by superior quality ingredients and by a special process that combines the best of tradition and innovation. The mixtures have a medium degree of dryness typical of the oil art to allow the best use of nuances.				 All dyes are mixed together. Pigments are accurately selected to guarantee high resistance to light.				 Light-resistant, bright, vivid and mixable colours. Good-quality colours which do not contain wax or resins. Made from pigments with a high degree of lightfastness.				 All colours are mixed together. For hobby-makers and students.
